

Thank you for another great golfing season!

The 2014 golf season arrived later than normal and ole man winter closed us sooner than we had hoped. We were grateful for the sunny days in between and the golf experiences we could provide our University community. Thank you for those who participated in our recent customer survey. The responses supported the positive feedback of excellent playing conditions we received throughout the season and recognized the efforts of our entire golf course team.

UMGC was honored to host many amateur events including the 98th Women's Amateur for the Golf Association of Michigan in August. The tournament was even more meaningful with members of our women's golf team and Head Coach Jan Dowling competing. It became a full team event when greenskeeper Steve LeDuc caddied for Coach Dowling during the match play portion! It was fantastic to see our Men's Golf Team take honors at their home tournament in September. We also supported efforts to grow the game by hosting junior golf tournaments for the Adam's Junior Tour, The GolfWeek Tour, and the College Tour. The talent and energy around these junior events offers optimism for the game of golf's future.

We continue to explore offerings that will provide valuable golf experiences for our community. It was fabulous to have so many golfers take advantage of our new Champions Pass. We were happy to add Family Golf to Saturday afternoons and Student Golf on Sunday afternoons, providing designated times for relaxed pace and pricing. Also, thank you to those who participated in the 2-Person Scrambles. They were fun opportunities for our golfing community to compete and socialize.

Be sure to come by UMGC for our annual holiday sale and enjoy a free cup of coffee or hot cocoa. Lots of good deals for the golfers or any wolverine fan on your list. Parking at UMGC is free and convenient! Also, the clubhouse makes a perfect venue to bring your business or personal community together for events over the winter months. For more details, visit: <http://www.mgoblue.com/specialevents/rentals.html>

On behalf of the entire UMGC team, thank you for a great season! We hope to see you soon and are anxiously awaiting the start of 2015.

Go Blue!

Chantel Jackson
General Manager
